

THE OLD WAY IS NOW THE WRONG WAY

In-Store Music

THE EVOLUTION & REVOLUTION OF IN-STORE MUSIC.

In-Store Music

Frontier Networks is innovating music for businesses, and we're doing it without contracts or compromise at an unbeatable price.

User Curated Music

The business of music has not changed in almost three decades. The licensing arrangements are the most complex, and with that, you rely on partners like Frontier to make it easy.

Music Meets Hustle

Our QSR/Retail bundle includes:

Fully Licensed Music

We cover your licensing fees with ASCAP, BMI, GMR, and SOCAN

Clean Language

No explicit lyrics and stations are free of suggestive language.

Commercial Free

Our streaming music contains no external advertising. If you want to include your own messaging, we have a plan for that.

Regular Updates

Music is added and updated by our professional curation team.

All plans include Public Performance Licenses for:
